Chart produced by National Conference of State Legislatures

Provisional Balloting

- New Voting Method = Learning Curve
- Voter Verification Burden = After Election
- Additional Staff Time to Process
- Delay Final, Certified Election Results
- Create Uncertainty in Election Process
- Start-up & On-going Operating Costs

Election Judges & Polling Places

- Recruitment & General Training (ID)
- Specialized Training Provisional Voting
- Increased Staffing Levels
- Adequate Polling Place Controls
- Increased Space Requirements
- Potential Technology Demands

Eliminate Vouching & Same Day Registration

- Vouching Eliminated
- S-D-R = OUT; Provisional Ballots = IN
- Less Convenience to Voters
- Potentially Discouraging Voter Participation

 Same ID Requirements for Pre-Registered Voters

Absentee Voters

- Potentially Restricts Could Eliminate
- Potential for Exponential Voter Impact

Public Education

- Major Reform = Obligation to Inform
- State Burden Shared or Passed to Local Level
- Education Campaign Elements
 - Household Mailings
 - Radio & TV PSAs
 - Paid Advertising
 - Websites

Implementation Issues

- Untenable Timeline
- Impact on 2013 Elections
- Counting Votes
- Potentially Discouraging Voter Participation
